2.1 Structured products since 2007

* The Swiss National Bank extends the circle of the reportable institutions for the statistics of the [securities held in bank's client deposits](#) retrospectively until December 2012. The survey group consists now also of [institutions with a special field of business](#). In case of such institutions with a special field of business and especially for deposits which are stored centrally there are only securities included that are not already stored at another reportable bank and reported by it.
