

Swiss Structured Products Association (SSPA):

Requirements profile: Head of ESG Expert Group

Zurich – 16 April 2024. The Swiss Structured Products Association (SSPA) is looking for a Head of the envisaged Expert Group ESG. Please find hereafter the tasks and requirements. Interested candidates are kindly asked to submit a CV and short letter of motivation to Sandra Vollmer (sandra.vollmer@sspa.ch).

Tasks:

- Leadership of the SSPA ESG Expert Group
- Interaction with different stakeholders (Issuers, Buy-Side members, Legal Expert Group, SSPA Board)
- Actively driving and shaping the ESG agenda of the SSPA as well as in the execution of the strategy
- Collaboration with other industry groups such as AMAS and SSF on the topic of ESG for Structured Products
- Representation of the SSPA in ESG-related topics (in coordination with the SSPA Board)

Profile:

- Extensive knowledge of current Swiss as well as European ESG initiatives across various asset classes
- Understanding the specifics of Structured Products with regards to ESG
- Well-connectedness in the Swiss Financial, ESG and the Structured Products community
- Ability to lead a group, find consensus and steer the agenda
- Ideally experience in association work
- Ability to recognize trends and developments in the ESG environment and derive measures at association level from them
- Good language skills in D, E and ideally F
- Negotiating skills and assertiveness
- Quick comprehension and ability to reduce complex issues to the essentials
- Good communicator, good discussion partner for Board
- Goal-oriented and straightforward
- Team player and authentic
- Time commitment: TBD

**About structured products**

Structured products are investment instruments publicly issued by an issuer whose redemption value is derived from the performance of one or more underlying securities. Equities, interest rates, foreign exchange or commodities such as gold or oil may serve as underlying securities.

About the Association

The Swiss Structured Products Association (SSPA) is the first point of contact for all questions associated with structured products. It represents the collective interests of the key market players who bring together over 95 percent of the market volume for structured products in Switzerland. The headquarters of the association are located in Zurich. Further information is available at www.sspa.ch.
