

Media release Swiss Structured Products Association (SSPA):

Atlantic Derivatives joins the SSPA as a new partner member

The Swiss Structured Products Association (SSPA) welcomes Atlantic Derivatives as a new partner member. This brings the SSPA's network to a total of 51 members from the entire value chain, from issuers, trading platforms and the buy-side to brokers and partners.

Zurich – 21 October 2024. Founded in 2017, Atlantic Derivatives is an advisor of Structured Products and derivatives solutions dedicated to a sophisticated clientele of institutional investors, financial professionals and private individuals. Its team of 14 experts in Geneva and Zurich focuses on the advisory, conception and management of Structured Products throughout their lifecycle, supported by both an in-house research team and their unique award-winning digital platform Platon.

Julien Duniague, Atlantic Derivatives' CEO, on the new membership of the SSPA: "We at Atlantic Derivatives are delighted to become a member of the SSPA. Through our innovative approach and deep expertise of the dynamic of the Swiss structured products market, we are looking forward to collaborating with the other members to the promotion of our industry."

SSPA currently has 51 members across the entire value chain

Numbering 51 members, the SSPA represents the interests of the market's key participants, which together account for more than 95 percent by volume of Structured Products in Switzerland. SSPA President Georg von Wattenwyl on the new partner member: "I am glad to welcome Atlantic Derivatives as our newest SSPA member. The Swiss Structured Products industry will benefit from their valuable inputs and our enhanced exchange."

**About Structured Products**

Structured Products are investment instruments publicly issued by an issuer whose redemption value is derived from the performance of one or more underlying securities. Equities, interest rates, foreign exchange or commodities such as gold or oil may serve as underlying securities.

About the Association

The Swiss Structured Products Association (SSPA) is the first point of contact for all questions associated with Structured Products. It represents the collective interests of the key market players who bring together over 95 percent of the market volume for Structured Products in Switzerland. The headquarters of the association are located in Zurich. Further information is available at www.sspa.ch.
